Directive 2011/65/EU (RoHS), OJ L 174, 1.7.2011, p. 88, as amended by Directive (EU) 2015/863, OJ L 137, 4.6.2015, p. 10
- EN IEC 63000:2018

Conformity assessment: module A (Annex II to Directive 2014/30/EU), no notified body

Intended use for which conformity is declared:

- only as a dedicated application platform with the operating system supplied or approved by the manufacturer,
- only in controlled network environments in which:
  - the network provides protection against denial-of-service (DoS) attacks,
  - data traffic is monitored and abnormal or malicious activity is limited,
  - physical access to the device is limited to authorised personnel,
  - the software is regularly updated with security updates,
- the product is not intended for use:
  - as a network infrastructure component (router, firewall, switch),
  - in public or unmonitored networks without upstream protection.

Other software or the addition of radio equipment constitutes a modification of the product; responsibility for conformity passes to the person who made the modification.
